*Additional Agenda Items, if needed*

**ADJOURNMENT**

RULES FOR THE REINSTATED SSTD PARKS AND RECREATION COMMITTEE  
Introduced at the SSTD Monthly Planning Meeting  
April 3, 2018 - Sangaree Library – 6:00p.m.

1. P&R group will vote on a Chairperson who will be the spokesperson for the remainder of the meeting and will present the group's Mission Statement.
2. P&R Chairperson will advise the Commissioners of other positions required and have those spots voted on to be filled.
  - a. Let it be noted that Lynn Toups has volunteered to create and keep a calendar for the Community.
    - Residents will check with her before scheduling Sangaree events to make sure that there is no conflict with dates or times.
    - Every event must be reported to the Admin Office.
    - This position must have a backup (i.e., Admin Office or someone in the group).
3. Chairperson of the P&R group will advise the Commission if there is a sub-group (i.e., Sangaree CARES) under the P&R group, note the members, and the leader(s) of that group
4. Responsibility for all Sangaree Parks and Community events will now belong to the P&R group with input from the Commission as well as the General Manager.
5. The SSTD Advisory Commission as well as the Administration Office must be kept in the loop on all requests and issues from this point on.
6. At least one representative from P&R must attend the Advisory Commission's Monthly Planning Meetings as well as the Quarterly Public Meetings, give a report on the status of all parks and recreational activities planned, and make requests for assistance known at that time whether they be immediate or in the future

It is also important to note that, like the Commissioners, it is the responsibility of this reinstated group to listen to, consider, and make known any requests or concerns coming from the Community. This group has to be all inclusive and not be seen as unwilling to accept the assistance or ideas of other residents, whether they are in agreement with their suggestions or not. If there is a problem of any sort, it should be reported to the Commission to see what can be worked out for the good of the Community.
