What are the responsibilities of the SSTD in Sangaree?

Residents of Sangaree Special Tax District receive public services and/or improvements, which could not otherwise conveniently or equitably be provided by Berkeley County. Some of the services we receive in Sangaree include, but are not limited to:

- 1) **Waste Management Service** - Residents have solid waste collected weekly that include household waste, recyclables, furniture, appliances, yard waste, and tree limbs.
- 2) **Recreation** – Residents enjoy an annual Community Day Event along with 44 parks, playgrounds, and green spaces maintained by Sangaree
- 3) **Fire Protection** – C & B Fire Department Sangaree Station and Pine Ridge Fire Department
- 4) **Maintenance**— Landscaper, General Maintenance crew, and an Administrative Staff work for Sangaree. Additional services are provided by the use of contracts with private companies approved by Berkeley County Council.

Some of you may wonder what are the areas maintained by the SSTD Crew? There are parks, playgrounds, and green spaces within Sangaree. The Sangaree crew is responsible for those properties.

The Sangaree crew is not responsible for private property or the easement afforded property owners for access by utility or service workers. Please stop by the SSTD Administrative Office if you would like to read the complete document of State of South Carolina, County of Berkeley Restrictive Covenants.
