## WASTE CONCERNS ARE PILING UP

As many of you know, the Sangaree Special Tax District/Berkeley County is in contract with two service providers. Republic Services holds the Municipal Solid Waste (MSW) contract and WastePro is responsible for Recycle pick-up.

On Monday & Tuesday each week, Republic Services picks up household trash that is placed inside the 96 gallon roll cart. On Wednesday's Republic Services is contracted to pick-up appropriately sorted bulk household items and/or yard debris that has been placed in recyclable brown bags at curbside.

Move-out trash or large piles will **NOT** be sorted and picked-up by the Contractors or the Sangaree Crew. This type of large debris removal is the responsibility of the homeowner of record. As always, please contact the Sangaree Special Tax District office if you have questions.

Our entire community is aware of the ongoing ups & downs with our collection services in Sangaree. The SSTD Office and the SSTD Advisory Commission continue to try to trouble shoot the problems as they arise. SSTD Administration, Councilman Newell, Berkeley County Government Contracts Representative and WastePro Management have met on three occasions to address the concerns. Unfortunately, there continues to be unresolved issues. If your service is missed, please call the office before **11:00am of the next business day** so that we may notify the contractors as soon as possible and get make up service. We have agreed with the contractors to send ALL REPORTED missed service to them in one notification at 11:00am. Missed services that have gone unreported or reported late will not be added to the report lists.

All known service delays will be posted around the neighborhood in advance of the anticipated holiday or event. Emergencies and weather incidents will be dealt with as they occur.

## A LITTLE HELP

### THE STREETS OF SANGAREE

The recent snow storm brought a huge WOW factor to our Sangaree community and surrounding areas. Some were able to enjoy a few days off, build snowmen, and have a good time during a unique low-country event!

As some of you have noticed and others have reported, there was a noticeable effect on some of the roads in Sangaree after the storm passed. The Sangaree team is continuing to work with Berkeley County Roads & Bridges to fix pot holes, cracks, and the like. There are some roads in the Sangaree Subdivision that are not county roads, but state maintained roads. Decisions about these roads are done at the state level. The roads are listed here.

Occasionally, services can not be completed due to personal vehicles parked in tight spaces, cul-de-sacs, etc. and block access to household waste or recycle containers.

Thank you for your cooperation. Your support not only helps our crew and contractors, but your neighbors, too!

## What are the responsibilities of the SSTD in Sangaree?

Residents of Sangaree Special Tax District receive public services and/or improvements, which could not otherwise conveniently or equitably be provided by Berkeley County. Some of the services we receive in Sangaree include, but are not limited to:

- 1) **Waste Management Service** - Residents have solid waste collected weekly that include household waste, recyclables, furniture, appliances, yard waste, and tree limbs.
- 2) **Recreation** – Residents enjoy an annual Community Day Event along with 44 parks, playgrounds, and green spaces maintained by Sangaree
- 3) **Fire Protection** – C & B Fire Department Sangaree Station and Pine Ridge Fire Department
- 4) **Maintenance**— Landscaper, General Maintenance crew, and an Administrative Staff work for Sangaree. Additional services are provided by the use of contracts with private companies approved by Berkeley County Council.

Some of you may wonder what are the areas maintained by the SSTD Crew? There are parks, playgrounds, and green spaces within Sangaree. The Sangaree crew is responsible for those properties.

The Sangaree crew is not responsible for private property or the easement afforded property owners for access by utility or service workers. Please stop by the SSTD Administrative Office if you would like to read the complete document of State of South Carolina, County of Berkeley Restrictive Covenants.
