Guidelines have been established in Sangaree to provide services to residents in a safe and efficient manner for residents as well as the Sangaree Crew. Please observe the following guidelines to help your neighborhood stay nice, maintainable, and green spaces usable. Please do not block trash carts, bulk items, yard debris, limbs, etc. on your service days. If service vehicles and equipment cannot access your containers, your neighbor's containers or debris because of your vehicles or guest vehicles, you will not be serviced. If you are working on large projects and have any questions, please call the office **before** your project begins. 843-871-9720

Use of Household Waste Carts

Household waste carts should contain regular household waste **ONLY**. Construction Debris, Yard Debris, Landscaping materials, furniture, etc., should **NEVER** be placed in the provided waste cart. If such items are found in the cart, it will not be emptied. Please do not leave trash carts at the curbside after service.

Proper Placement of Limbs for Collection

This service is provided for Sangaree residents as you trim and maintain your trees on your property. The service **begins** on Mondays and continues until all of Sangaree is complete. Please follow the directions listed below for service. **ALL debris for chipping MUST be at curbside no later than 7:00AM Monday morning.**

Limbs NOT exceeding four inches in diameter will be collected and chipped. Homeowner/Landlord must cut out forks and stack in an orderly pile with the cut ends facing the street. PLEASE DO NOT throw limbs in a heap. This creates an unsafe work site for the crew.

Do not pile limbs on the street or block the right-of-way. Do not place trunks, logs, or root balls out for collection. These items will not be removed.

Limb piles obstructed by parked vehicles or inappropriate debris will not be serviced. This could result in delays until service begins the following week.

...and other things

Lyons Cove Playground is Done!

Sangaree was fortunate to receive a 2021 PARD Grant to renovate another playground and in November, work began on the removal of old equipment at Lyon's Cove Park. The installation of bright, new equipment is now complete. The swings were given a matching make-over with a complete sanding, fresh paint, and new seats. Borders were extended and fresh safety surfacing was added. New bench swings have been ordered and will be installed upon arrival. Thank you to the Sangaree Crew for bringing this all together! Make sure you check out Lyons Cove Park.

Sangaree Park Pavilion

Many of you have watched the progress of the new Pavilion at Sangaree Park. This endeavor was discussed and planned over several years and was brought to completion just before the end of 2022.

Outfitting the Pavilion will be in mid-Spring. Components have been ordered and will be installed by your Sangaree Crew as soon as delivered.

Look for other fun additions coming to Sangaree this Spring!

How About that Crew!

The Sangaree Community is fortunate to have a great crew working in and around Sangaree every day. The unique team of men and women get started before 7:00am each day taking care of every single thing imaginable within Sangaree. There is a schedule each day waiting for them and they each tackle their various responsibilities in a positive way, not to mention those unexpected events that pop into the day that need attention. It is a true team!

The team includes, Dillon, John, Tim, Donnie, Gary, Nathan, Brandon, Rachael, & Laura. These nine fantastic people bring a variety of skills and work experience to Sangaree and have shown that they are continually learning and growing their skill sets at any available opportunity. Each member of the team takes it upon themselves to help the others if they happen to finish their task at hand. The crew members also support each other when working, to add new skills and experiences. It's clear they each care about their work in Sangaree, take the time to do it correctly, and then some.

Thank you Sangaree Team!

The Sangaree Crew reaches far and wide within our community caring for 6 Parks & Playgrounds: Pierre Park (located on Sangaree's first occupied street), Raintree Park, Cambridge Park, Lyon's Cove Park, Sangaree Park, and the Pond in Spring Lake. The crew maintains over 45 green spaces, cleaning and mowing the parkway, 4 main entrances, and 29 subdivision entrances..

Making sure storm drains are clear - whatever the weather, storm clean-up when necessary, and regular cutting, mowing, & trimming throughout the week - keeps them very busy. The crew is awesome at keeping track of equipment, general equipment maintenance, and maintaining the work and shop environment.

Curbside services which include chipping, removal of electronics, metal, and old tires is how the crew warms up every Monday. Washing signs, painting signs, and replacing damaged signs in subdivisions, on streets and in park areas is an ongoing project. The crew and office staff appreciate the positive feedback about the improvements.

The Sangaree team is able to partner with Berkeley County and outside agencies for support of needs within Sangaree and when possible assisting other Berkeley county departments located within Sangaree, including the Library, EMS/C & B Fire Station, and the BCSO Sub-Station.

If you happen to see our amazing crew out and about, please say **HI** and let them know how much they are appreciated. Feel free to stop by the Sangaree office at anytime. It is located off Sangaree Parkway across from the Townhomes on Sangaree's last occupied street, Tyner Trail.
