SPRING HAS SPRUNG!

ARE YOU SPRING CLEANING? HELP US HELP YOU!

Is it time for “*out with the old, in with the new*”? Our Contractors and Sangaree Crew are committed to helping you haul away your old, used, worn out bunch of stuff! As residents of the Sangaree Special Tax District, Berkeley County provides special services within the boundaries of the Sangaree Special Tax District, including *Solid Waste Collection*.

Based on the area of Sangaree you live in, your Solid Waste pick-up is on Monday or Tuesday. **Wednesday** is the day for Furniture, Loose yard Waste - in designated bags or labeled containers, and large bulk items. These items must be separated when placed at the curb. **One large pile of items will not be removed if it is not sorted:** Lumber, Metals, Textiles - each sorted with like items. Bottles, trash bags and other items that are considered household waste that fit in your roll cart should be placed in the roll cart with other household waste. We continue to work with our Contractors to make sure **ALL** areas of Sangaree are serviced.

There is a more detailed breakdown of the Recycling and Waste Collection Services with listed examples of items on the ***Talking Trash*** pages of this news letter.

We are aiming to work together with the residents of Sangaree to keep our Community clean and welcoming! If any of your services have been missed please contact the Administrative office NO LATER THAN 10:00 am the next business day. Thanks for your support!

SSTD Crime Watch Meeting - Crime Prevention is a Community Commitment

The Sangaree Community Crime Watch group was created to track the areas of the Sangaree Community that may be having crime issues and to alert neighbors of ongoing events. Each of us has a responsibility to deter crime and as a community need to work together to help the police keep our neighborhoods safe.

The Sangaree Community Crime Watch Group will meet on **Tuesday, May 9** and **Thursday, June 8 at 7:00pm** at the Sangaree Library. For more information, involvement opportunities, Crime Watch updates, and future meetings, check out the SSTD Crime Watch Facebook page or contact Crime Watch Coordinator Darrell Moser at (843) 851-5590 or moserdkb7qvg@hotmail.com

Codes Enforcement

The Codes Enforcement Office is responsible for the County's local code enforcement program. Code Enforcement Officers monitor and enforce a variety of applicable ordinances, codes, and regulations related to nuisance housing, building codes, health and safety, graffiti, water waste, zoning, land use, and other matters of public concern. Code Enforcement Officers work to educate and encourage the community to maintain a neat, clean appearance of their property. The office serves as a resource and provides information on County regulations to property owners, residents, businesses, and the public. If you have questions/concerns regarding Codes Enforcement, call 843-719-4758.

SANGAREE - AROUND THE NEIGHBORHOOD

Seeing NEW Faces Around Sangaree?

The Sangaree Special Tax District is excited to have three new team members join the crew. The crew has stayed busy in recent months due to the departure of some members for new opportunities. We have recently added some experienced new members; James, Stephen, and Steve to the established crew of Ricky, Keith, Tim, and Kelli. The entire crew has been as reliable and hard working as ever and with the new members, we can expect to continue the great work practices and maintenance of the Sangaree Community.

Welcome to the new members and **THANK YOU** to the entire SSTD Crew for all the work you do in our community everyday!

It's a Great Time of Year to be Outside or Take a Walk

Here are some Safety Tips from the Berkeley County Sheriff's Office

- Use the Buddy System. Avoid walking alone at night.
- Walk only on busy, well-lit streets.
- Vary your daily routine.
- Carry a whistle.
- Do not walk too closely to the inside of a sidewalk, near bushes, alley entrances, driveways or entrances to private places.
- Try not to overload yourself with packages.
- Do not hitchhike or accept rides from strangers.
- If a car approaches and the driver bothers you, walk in the opposite direction.
- If someone asks you for directions from their car, do not walk over to them, make them speak louder.
- Don't walk through dark parking lots, parks or other dark places.
- If you think someone is following you, do not go home, go instead to a neighbor's house, an open business or other well lit place where there should be people to help you.
- If you arrive home by taxi, Uber, or with a friend, ask them to wait until you are inside your home.

Remember to let somebody know your walking route or planned destinations and don't be distracted by phones and other smart devices. Your safety starts with YOU!

BE CAREFUL OUT THERE!

THANK YOU GARY HOGSTEN

Long time Sangaree Special Tax District Advisory Commission Chairman, Gary Hogsten took on a new adventure in March and relocated. Gary and his wife came to Sangaree in 1994. His community involvement began almost immediately.

Gary served on the Sangaree Elementary School Improvement Council from 1995 through 1997. and on the Sangaree Special Tax District Advisory Commission from 1999 to his departure on March 27, 2017.

Gary left a parting message on the different social media pages stating, in part, "I hope that my time as a volunteer has helped to improve Sangaree, and along with current and past Commissioners - I hope that we helped to make life living here a little better."

He continues, "I would like to say - Thank you for being a part of my life! All of our children have grown up into adulthood. Since we arrived here in 1994, I want to thank you for every kind wave, for every hello, and especially for keeping an eye out for each other over the years when we were going through severe weather events, or just when we were away from home. Thank you so much for being my colleagues, my friends and my neighbors. I couldn't have done anything without you! I have enjoyed working with each and every one of you - It has been a pleasure."

The Sangaree Community is certainly grateful to Gary Hogsten for his years of dedication to the Sangaree community! Thank you, Gary!!

SANGAREE COMMUNITY YARD SALE

The Annual Sangaree Community Yard Sale held on Saturday, April 8, was a huge success for residents. The weather was just perfect. There were over 80 registrants and a few more joined in, too. There were bargains everywhere. Thank you to those who participated and we hope *all* the participants had as much success as was reported. This has become an annual SSTD Community tradition that will definitely be continued next year.

Thank you to the Sangaree Library for having maps available for the shoppers in the community.

National Police Week May 14 - 20, 2017

RESPECT ◊ HONOR ◊ REMEMBER

During the week in which May 15 falls each year, National Police Week recognizes the service and sacrifice of U.S. law enforcement. Established by President Kennedy in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty and for the safety and protection of others.

More than 30 years later, the Violent Crime Control and Law Enforcement Act of 1994 amended the law, and Public Law 103-322 was signed by President Bill Clinton, directing that the U.S. flag be displayed at half-staff on all government buildings on May 15 each year.

STOP BY ONE DAY AND THANK OUR SANGAREE FIRE FIGHTERS AND VOLUNTEERS!

Thursday, May 4th is International Fire Fighter Day. We are very fortunate to have the C & B Fire Station right here, made possible by your investment in the Sangaree community. This station responds to calls for service protecting the neighborhoods of Sangaree and surrounding areas. To augment the C&B volunteer firefighters, Sangaree Special Tax District provides funding for two certified firefighters daily, Monday through Friday from 8 a.m. to 6 p.m.

ANIMAL LEASH LAWS

Berkeley County Animal Control officers have once again reminded the Sangaree Special Tax District Office that all animals must be confined within homes, penned or retained on a leash. **This includes cats.** Please keep your pets safe and secure. Remember to check doors and fence gates before you leave your home.

The Animal Control Department will assist home owners in their efforts to enforce this law by providing cat traps and responding to calls for dogs running loose in the area. The fines for the owners of captured animals can range up to \$250.00. For further information call Animal Control at 843-723-3800 extension 4758.

TALKING TRASH

TRASH COLLECTION BEGINS AT 7:00 AM EACH COLLECTION DAY.
ANYTHING PLACED AT THE CURB AFTER 7:00 AM
MAY NOT BE COLLECTED.

GUIDELINES FOR SETTING OUT GARBAGE

The roll carts (trash can on wheels) are the property of the service contractor and must remain at the house when residents move.

Carts must be placed curbside before 7:00 am on your collection day. Your garbage may be collected anytime between 7:00 am and 7:00 pm. **Carts must be placed curbside, wheels facing your home, 3 feet from other carts or obstructions** (such as parked cars, mailboxes, fire hydrants, utility boxes, additional carts, etc.).

Report **ANY** problems with carts to Sangaree Special Tax District at 843-871-9720. Report Missed service **no-later-than 9:00am** the next business day.

LARGE APPLIANCES & BULK ITEMS

Washers, dryers, water heaters, refrigerators, grills, bicycles, lawnmowers and any other metal item larger than 9" x 48". Ensure appliances are empty of food and water.

HOME ELECTRONICS (E-WASTE)

Televisions and other home entertainment components, as well as computers, monitors, printers and scanners, etc.

PROPER DISPOSAL OF PAINT CANS

All paint must be completely dry. This can be achieved by opening the can and letting it sit until the paint is hard or by adding sand or cat litter to the can to absorb the paint. Once completely dry in may be placed in the household waste roll cart.

Friday Recycle Days: May 5, 19, June 2, 16, 30, July 14, 28, Aug 11, 25.
Schedule MAY be altered due to weather, events, or holidays.

HOUSEHOLD RECYCLING EVERY OTHER FRIDAY

Place recycling in bins obtained from the Sangaree Special Tax District office. **Do not use plastic bags to contain your recycling.** Items that are not acceptable will be left in your container after collection.

Place your recycling container where it is clearly visible and accessible from the street.

Recycling is divided into the following three major categories:

COMMINGLES - (plastic, glass, metal)

- **Plastic: #1 - #7 plastic containers.**
- Rinse and remove caps with the exception of cooking oil & motor oil bottles which should be un-rinsed with lids on. Labels are okay.
- **Glass: Unbroken jars and bottles.**
- Rinse and remove lids. Labels are okay. No mirrors, panes of glass or light bulbs.
- **Metal: Aluminum and steel cans.** Also, aluminum foil, pie pans, and empty aerosol cans. Rinse, labels are okay.

PAPER - Newspapers, magazines, mixed office paper, junk mail, store sales flyers, phone books, etc. placed in brown paper bags or recycle bin.

CORRUGATED CARDBOARD - NO WAX FINISH
Remove packing material (Styrofoam, bubble wrap), collapse boxes and place with other recycle in a manner to prevent from becoming windblown.

HOLIDAY SCHEDULE: There will be no service on the following holidays since the landfill is closed: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day. Collection schedule **MAY** be delayed one day for the remainder of the week after a holiday. **Updates and changes will be announced and posted as needed.**

TALKING TRASH

HOUSEHOLD WASTE & RECYCLE ARE SCHEDULED TO BE PICKED UP BETWEEN THE HOURS OF 7:00AM & 7:00PM. TO REPORT MISSED SERVICE PLEASE CALL THE SSTO OFFICE NO LATER THAN 10:00AM THE NEXT BUSINESS DAY.

YARD WASTE: Yard waste includes plant material removed from yard, NOT lawn furniture, fixtures, or decorations which are collected with furniture; no bricks, concrete edging or stones/rocks.

Keep the following three types of yard waste separate from each other and from other types of solid waste as they are collected separately.

LOOSE YARD WASTE: Grass clippings, leaves, pine needles, pine cones, and trimmings from plants. Bagged in biodegradable **PAPER** bags (**NOT PLASTIC**) or placed in a container, such as a trash can, clearly marked "yard waste". Regulations prohibit the use of the same container for household trash and yard waste. Contained loose yard waste cannot exceed **65 pounds each**. Containers without lids must allow for drainage of rain water. Excessive amounts of dirt will not be collected.

LIMBS: Trunks and branches not exceeding four inches in diameter. Limbs are collected and chipped into a truck. Cut out forks, stack in an orderly pile not exceeding 4' high, with the cut ends towards the street. This allows for curbside collection as employees are not allowed to enter private property. Large quantities of limbs may be stacked in several piles or a continuous row.

QUICK

TRASH TIPS

Solid Waste service is provided between the hours of 7:00am and 7:00pm on your scheduled days.

Any items that are household waste should be placed in the roll cart.

Please place your cart at the curb before 7:00am the day of your scheduled service.

Place cart with wheels facing your house for more efficient disposal/Lid opening facing towards the street

Make sure your roll cart is accessible for the solid waste truck and clear of all obstructions: Parked cars, mail boxes, etc

If you had your roll cart out by 7:00am and your service was missed, please contact the Sangaree Special Tax District office as soon as possible after 7:00pm on your scheduled day. The office will notify the contractor for make-up service. (843-871-9720)

If you have collapsed your cardboard and it does not fit in your roll cart, please call the SSTD Office. **Collapsed** cardboard can be picked up on an on-call basis. Household waste and other items placed inside cardboard boxes will **NOT** be picked-up.

A **RECYCLE** REMINDER: **SSTD** is participating in a **Commingled Recycle Program**, however plastic bags and Styrofoam are **NOT** recyclable in our area.

Please refer to your quarterly newsletter for more details. (Pages 6 & 7)

REMEMBER TO BE PETRIOTIC!

KEEPING YOUR PETS SAFE ON AND AROUND THE 4TH OF JULY

Independence Day and the days leading up to it are the busiest days for shelters. Pets become frantic and frightened by the celebratory noise and run away. Keep YOUR pets safe this 4th of July with these basic safety tips!

Tip #1 - Make sure your pets are wearing current identification tags. It can help reunite you with your pets should they become lost.

Tip #2 - Loud crowded fireworks displays are no fun for pets. Refrain from the urge to take your pets with you.

Tip #3 - Frightened from the sounds of fireworks, dogs often hop their fences and bolt. Keep pets inside with a favorite treat or toy.

Tip #4 - Keep the radio or television on for your pets to help mute the sound of fireworks.

Tip #5 - Consider skipping the parades with your pet. Hot temperatures can dehydrate your pets and scorching blacktop and concrete surfaces can cause severe burns to your pets' paws.

Have a Safe and Happy 4th of July!

Weather.gov/socialmedia Weather.gov/heat		@SacramentoOES SacramentoReady.org

Each year, dozens of children and untold numbers of pets left in parked vehicles die from hyperthermia, which occurs when the body absorbs more heat than it can handle.

Hyperthermia can occur even on a mild day with temperatures in the 70s. Studies have shown that the temperature inside a parked vehicle can rapidly rise to a dangerous level for children, pets and even adults. Leaving the windows slightly open does not significantly decrease the heating rate. The younger the child the more severe the effects because their bodies have not developed the ability to efficiently regulate its internal temperature.

BETWEEN WINTER & SUMMER LIES A BEAUTIFUL

Poor Soil: What to Do?

If your soil is very poor and compacted, it may be best to improve the soil and replant.

Till up old lawn. If it is very weedy, remove the sod with a rented sod stripper or spray glyphosate (Roundup) on it to kill weeds.

Get a soil test to find what's missing and spread the amendments (e.g., lime) suggested in the test results.

Spread 2 inches of quality compost and till it in to a depth of 6 to 8 inches. Sandy or gravelly soils may need other amendments, too. Consult a certified landscaper or your local Clemson Extension office for help with these soils.

Rake the soil level, roll with a landscape roller, water, allow to settle for a day and rake again.

Seed with an appropriate grass mix and water daily if the weather is hot and dry until the lawn is well established.

REF: <https://www.scdhec.gov/HomeAndEnvironment/>

BEFORE YOU PLANT...

Please keep this in mind when deciding on the landscape plans you have for your property. Easements - there are five distinct areas of easement that may pertain to your property:

1. **Drainage:** The minimum acceptable drainage easement will be determined by the following formula: $3X$ the depth, + the bottom width + 20 feet. Improvements are maintained by the county for the conveyance of storm water. General maintenance of easements for appearance, etc.; shall be the responsibility of property owners.
2. **Utility:** Adequate areas of suitable size and location shall be allocated for utility easements. The location and size of such easements shall be worked out with the public and private utilities involved. Lines shall be installed underground except where unusual circumstances prohibit such practice.
3. **Maintenance:** The county shall maintain only those improvement specifically accepted for public maintenance. The governing authority and utility companies with lines in such easements shall have full right of access.
4. **Clearance:** All trees, brush, stumps, waste, trash fallen trees, and other obstructions within the easement right-of-way shall be cleared and removed. Specimen trees meeting the requirements of the "Berkeley County Engineering, Construction, and Development Standards" manual may be allowed to remain under an Encroachment Permit.
5. **Encroachments:** Encroachments, including landscaping, fences, and utilities shall not be constructed within a county maintained easement right-of-way unless an encroachment permit is obtained from the county.

What exactly is a “Special Tax District?” you might ask.

A Special Tax District is a mechanism used by communities, such as Sangaree, wherein property owners within a defined area elect to pay a “special tax” on their properties in order to receive public services and/or improvements, which could not otherwise conveniently or equitably be provided by Berkeley County. Some of the services we receive in Sangaree include, but are not limited to:

- 1) **Waste Management Service** - Residents have solid waste collected weekly that include household waste, recyclables, furniture, appliances, yard waste, and tree limbs.
- 2) **Staff & Workers** – General Manager, Administrative Assistant, Project Supervisor, Landscaper, and General Maintenance crew. The employees work for Sangaree and their salaries are paid out of the “Special Tax” that is collected. Additional services are provided by the use of contracts with private companies approved by County Council.
- 3) **Recreation** – Residents enjoy an annual Community Day Event along with parks and playgrounds throughout Sangaree.
- 4) **Fire Protection** – C & B Fire Department Sangaree Station and Pine Ridge Fire Department

Sangaree Special Tax District has an Advisory Board of Commissioners who are residents of Sangaree. Councilman Tommy Newell is responsible for naming the Commissioners that are nominated by the Board. Mr. Newell, the Representative for District 4 on Berkeley County Council, works to ensure that the needs of the communities he represents are made known and handled properly.

The Commissioners are tasked with voicing the needs of the community, working on and improving the budget, holding quarterly public meetings to report status of work being done in the neighborhoods as well as to get the input from the residents. Commissioners serve a two-year term and the position is totally voluntary with no compensation attached.

While many things are handled in the subdivision and questions can be answered by calling the Administrative Office, there is also a list of numbers in this newsletter for other areas that are handled by Berkeley County.
