HAVE YOU SEEN THE BASKETBALL COURT?

The Sangaree Park is coming together with the latest addition. A few months ago, the concrete was poured for the park's new basketball court. Soon after, the posts and goals arrived and were assembled and installed by the Sangaree crew.

The new court has been tested successfully by some young basketball fans with great reviews. Sangaree staff has been able to spend some time with our younger residents and have gotten some input on what the different ages may like in the future. Sangaree is grateful for the feedback from this younger crowd. Of course, not everything happens over night, but the ability to have a conversation with the kids can give the community a broader understanding of the hopes these residents may have for the community where they live.

One more thing...the lines will be painted on the court as soon as possible. The Free-throw line is fifteen feet from the back-board and you have 10 seconds to shoot. Make it count and HAVE FUN!

RESIDENTS & GUESTS ARE ASKED TO NOT BLOCK TRASH CARTS, BULK, OR YARD DEBRIS ON SERVICE DAYS. IF SERVICE VEHICLES CAN NOT ACCESS YOUR CONTAINERS OR DEBRIS, YOU CAN NOT BE SERVICED.

Sangaree is included in the areas that are serviced. Meals on Wheels relies solely on the community for donations and volunteers to support this important mission.

Donations may be dropped off at the Sangaree Office and a MOW representative will collect them. The contact phone number for Meals On Wheels is 843-873-8224. They are located at 111 Waring Street in Summerville 29483.

There are urgent needs now: Individual serving size potted meats, Individual serving size fruit cups, Instant oatmeal (various flavors)/grits, Individual serving size dry cereal, quart and gallon size ziplock bags and dry dog and cat food, Coffee, peanut butter, raisins/dry fruit, sugar, Coffeemate, trailmix, crackers (saltines, Ritz, graham), juices (individual servings), raisins/dry fruit.

If you or someone you know could benefit from a daily hot meal please contact Meals on Wheels. This is truly a wonderful organization that works very hard to ensure that not only are homebound residents fed, but that they are safe and comfortable in their homes.

SANGAREE EASTER EGG HUNT

The Sangaree Easter Egg Hunt was held April 1 at the Pond. It was a great success for all ages who turned out for the fun! This is a tradition that is loved by many Sangaree residents. The event would not be possible without coordination and volunteers months and months ahead of time. Sangaree would like to give a special shout out to Elle Meise and the Volunteers who brought this event together.

The Easter Egg Hunt as well as Community Day, Trunk or Treat and more would never be possible without Volunteers. Please consider giving your time to your community. It's a lot of fun, too! Call the office and we will get you connected with event coordinators. (843-871-9720) Check out the pictures ...

Check out some of the Sangaree Social pages and see what's coming next!

PLAYGROUND RENOVATIONS IN SANGAREE

One of the fun little gems of the Sangaree Special Tax District is Raintree Park. The park is located on Tomaka Drive near the Sangaree Parkway. During the months of March & April there was some necessary repairs and upgrades that took place. The new equipment was successfully installed and “tested and approved” by some of the youngest residents of Sangaree who were waiting patiently to check it out. Thank you to the residents who help to keep our parks clean and report the issues they may find so the Sangaree Crew can give it the attention needed. Sangaree is fortunate to have these parks and playgrounds provided by your tax dollars in our community. Look for a major update coming to Lyons Park in Lyons Cove this summer as Sangaree has been awarded a PARD Grant for this project. Go outside and **PLAY!!!**

If you see something, say something. The office is always grateful when the residents give us a heads up on something we are not aware of in Sangaree. Maybe it’s a concern such as a broken slide, trees hanging too low on the roadway, or illegal dumping. And, maybe it’s good news; kids picking up trash in the community, people having fun with new park or playground additions, or our crews working hard. The office wants to hear about it either way! Thanks!
