V. RESIDENTS SIGNED UP TO SPEAK

Preliminary Discussion: Drainage ditches.

Road and Bridges is in charge of maintenance of the ditches. Sangaree Special Tax District has tried to keep them mowed; however this wet spring/summer we have experienced has hindered the work of the maintenance crew.

In addition, we do not have the equipment we need.

Brian had been investigating equipment to do the job.

If we can get them clean out, Berkeley County will then supplement our efforts.

So far have funding has not been available.

(Tommy Newell to Brian Callihan: If you get the information about the equipment we need, I will get it through council.)

VI. ANNOUNCEMENTS

VII. ADJOURNEMENT
