Projects:

- Mowing season is officially here.
- Had meeting with Brian Rheault for SSTD Office/Library expansion. Looks like the original architect is the one we will be going with.
- Walking bridge is done. Rip Rap was restacked by R&B. They put a “slurry” on the rocks to stabilize. Mark Dirks has inspected the area and believes the current situation is good. No erosion should occur even with the rip-rap the kids have removed.
- Trenholm Park sign is in our possession
- Soccer Goals are in the works
- Easter Egg Hut is scheduled for March 28 noon to 2 PM at the Pond.
- Community Yard Sale – April 11
- We have the split rail for Sangaree Park and Cambridge Park. That will be going in within the week.
- Trees have been removed in preparation for the parking areas at Sangaree Park and Trenholm Park. There are about 4 that we will have a tree company remove due to the proximity of structures we don't want to damage.
